Dear Wanda Calderon,

I am writing on behalf of Clean Air Campaign Inc. pursuant to the Freedom of Information Act to request a copy of the signed contract agreement between the U.S. Environmental Protection Agency (EPA) and the Hudson River Foundation for Science and Environmental Research (HRF) for the NY/NJ Harbor and Estuary Program (HEP) contract, if any, that resulted from the Application for Federal Assistance that you sent to us today. If the contract agreement has not yet been signed but exists in draft form we are still requesting a copy of that draft contract, and we are requesting a copy of any new draft or final versions of this contract agreements that EPA is not releasing yet.

Please call me at 212-582-2578 and tell me whether or not the contract has been signed by either EPA or HRF or both parties.

Please also inform me of the dates of the eight pdf' files you forwarded to me earlier today IF--AND ONLY IF--THAT DOESN'T ADD TO THE TIME IT WILL TAKE TO CONTINUE PROCESSING THIS REQUEST.

Thank you.
